FARID GALANDAROV

FRONT-END DEVELOPER

PROFESSIONAL PROFILE

I am a aspiring frontend developer who's interested in delivering quality and user-friendliness on my projects. I'm interested in this field more than a year. Currently I'm working on JavaScript skills and building projects which can prove my knowledge and skills. In future, I'll want to learn frontend frameworks like React.

EDUCATION

Azerbaijan State Academy of Physical and Sport Sports Tourism

September 2019 - June 2023

Azerbaijan StateUniversity of Economics MBA / Master of Business Administration Blokchain

September 2023

COURSES

FRONT-END

Udemy learned from Atil Samancioglu
